

PUBLIC NOTICE
Proposed Plan for Remedial Action
Installation Restoration Site 7
Naval Base Point Loma

The Department of the Navy is distributing this public notice to inform the community of a new Proposed Plan that has been prepared as part of the ongoing Installation Restoration (IR) program at Naval Base Point Loma, San Diego, California. This Proposed Plan presents a remedial action that is recommended by the Navy and the State of California to address buried debris and associated contamination at IR Site 7, located on the west ridge of the Point Loma Peninsula. The Proposed Plan will be presented by the Navy at a Public Meeting, held at 6:00 PM on August 16, 2023, at the following location:

Southwestern Yacht Club
2702 Qualtrough Street
San Diego, CA 92136

The Navy's Administrative Record (AR) can provide you with important background and site investigation information about IR Site 7, as well as the Navy's objectives for remedial action. The AR includes the IR Site 7 Remedial Investigation/Focused Feasibility Study, which is the primary basis for the Proposed Plan. This and other IR Site 7 documents can be accessed at:

San Diego Library, Point Loma/Hervey Branch
3701 Voltaire Street
San Diego, CA 92107
(619) 531-1539

You are invited to review the Proposed Plan for IR Site 7 and provide input. Comments concerning the planned remedial action at IR Site 7 will be accepted from Wednesday, August 16 through Saturday, September 16, 2023. Comments can be submitted via communication with the Navy Lead Project Manager at (619) 705-5431.
